

## 4th Meeting of the Global Task Force for Cholera Control (GTFCC) Working Group (WG) on Water, Sanitation and Hygiene (WASH)

## **AGENDA**

## Objectives:

The WASH WG meeting will be an opportunity to get an update and discuss challenges and next steps for the implementation of the *Ending Cholera Roadmap* in countries, especially with regards to the WASH pillar.

The proposed specific objectives and topics for discussion are as follows:

- 1. To provide an update on the implementation of the *Ending Cholera Roadmap* and integration of WASH into country National Cholera Plans (NCPs) plans including:
  - o General update from GTFCC including other WGs
  - Perspectives from participating countries
  - Lessons learnt and way forward to engage countries in multisectoral cholera control targeting cholera hotspots
- 2. To discuss WASH specific-support to countries and follow up from the 2018 annual meeting country including:
  - o Review of achievements since the 2018 meeting
  - Update on the development of the Cholera Elimination Framework to guide countries on how to structure a National Cholera Control/Elimination Plan (NCP), especially with regards to WASH interventions (define WASH indicators needed for hotspot identification, define WASH light vs longer term interventions, OCV+WASH synergy, standard M&E approaches and impact evaluation)
  - Update on the development of the "WASH Package" (i.e. set of activities and interventions to support WASH Pillar of NCPs)
  - Launch of the Investment Case including advocacy and financing for WASH interventions
  - o Update from partners on supported WASH interventions for cholera
- 3. To review the WASH research agenda:
  - Feedback from the "GTFCC RESEARCH AGENDA SCOPING MEETING" hosted by DFID and Wellcome Trust in London on 23-24 July 2018
  - Update from partners on research projects
  - Agreement on the WASH WG research priorities for 2019
- 4. To discuss and agree on the work plan and priorities for the WASH WG in 2019

**Dates:** 12 and 13 February 2019

**Location:** Veyrier du Lac, France

Venue: Les Pensières Conférence Centre,55 Route d'Annecy, 74290 Veyrier-du-Lac, France
